

# GENSO KISHI ONLINE

M E T A W O R L D

OFFICIAL DECK

## “Gensokishi ONLINE”

is a Japanese Game-Fi project that evolves from an award-winning  
Nintendo Switch/PS4 game called “Elemental Knights”.

Yes... that's right.

We are transforming an already popular video console game,  
an already existing Metaverse

Into a Play-to-earn game.

# Agenda

1. What is Gensokishi ONLINE ?
2. What is Elemental Knights ONLINE ?
3. About Gensokishi ONLINE～META WORLD～
4. About the Token & Utility
5. RoadMap
6. Business Scheme

And in the year 2022,  
We bring you...

# GENSO KISHI ONLINE

M E T A W O R L D

Play to Earn : Venture out with friends and find rare NFTs

Collect rare items from battling monsters  
and sell them in our NFT marketplace !

Design UGCs and Earn !   ※UGC=User Generated Content  
NFT created by users will change the world.

# Various character raising factors.

## Raise your own unique character

Meet up in the virtual world and

Live an unimaginable life;  
Here, the world is what you imagine.

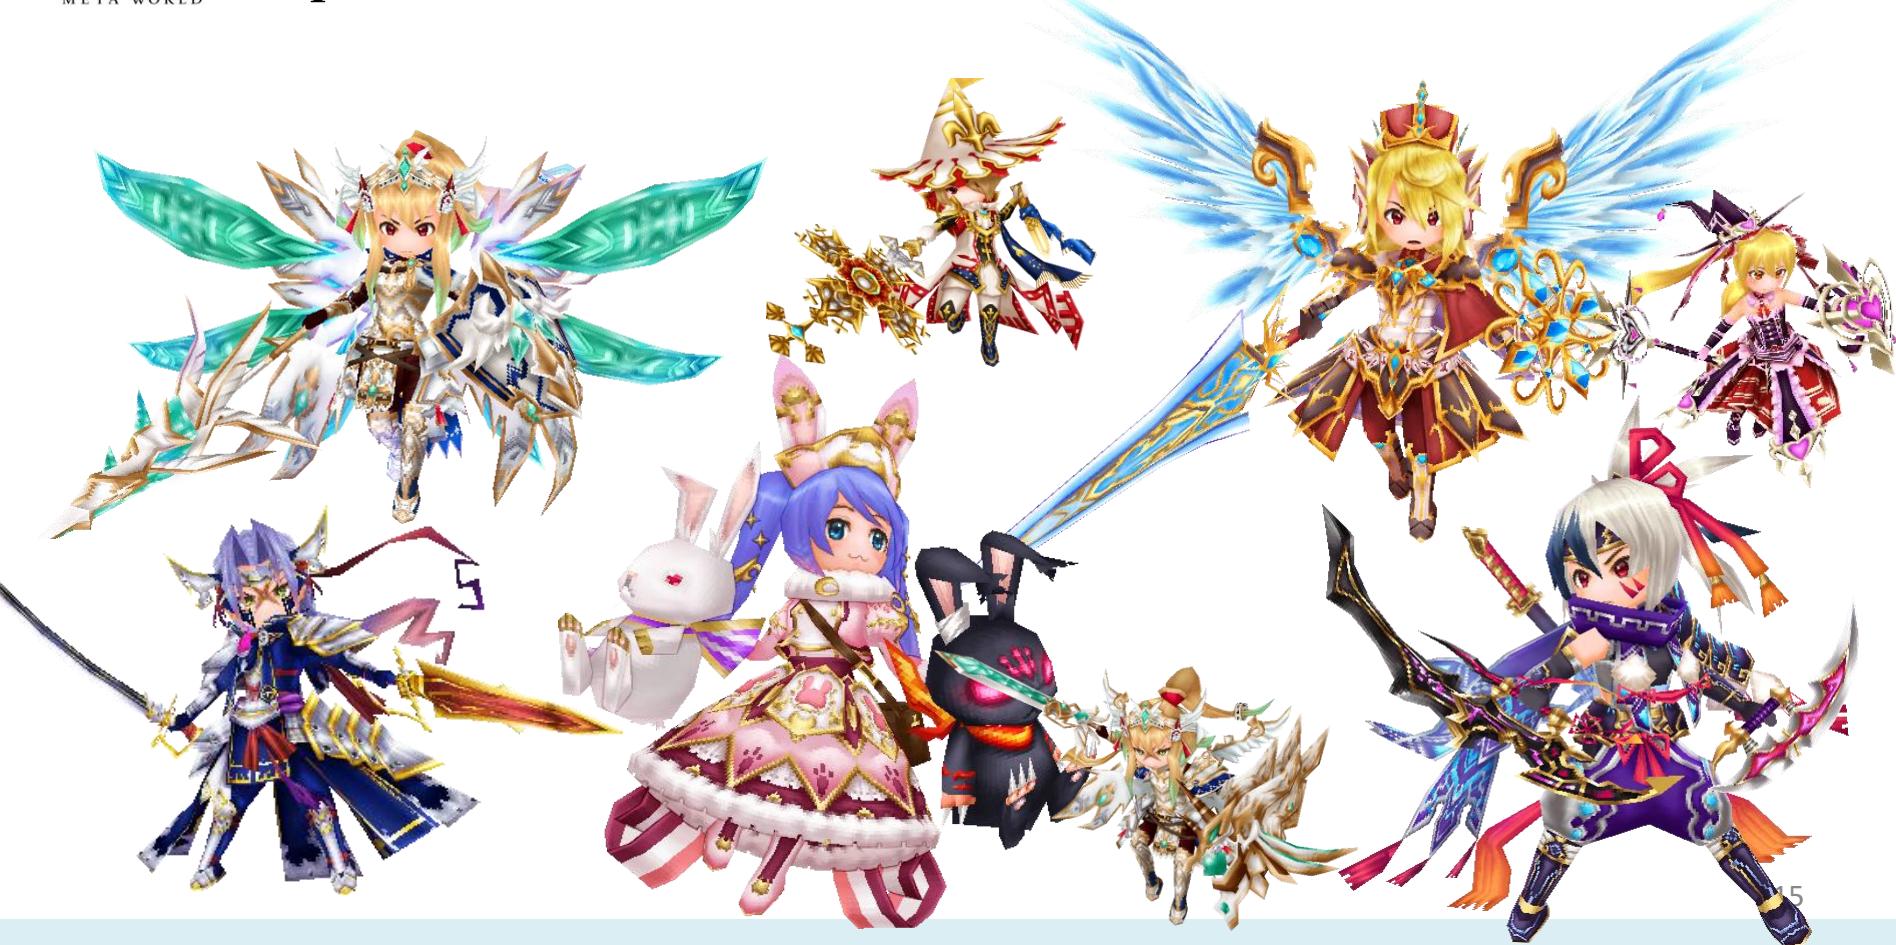

Our ecosystem is built so that users from anywhere in the world can act and behave as if they were meeting face to face.

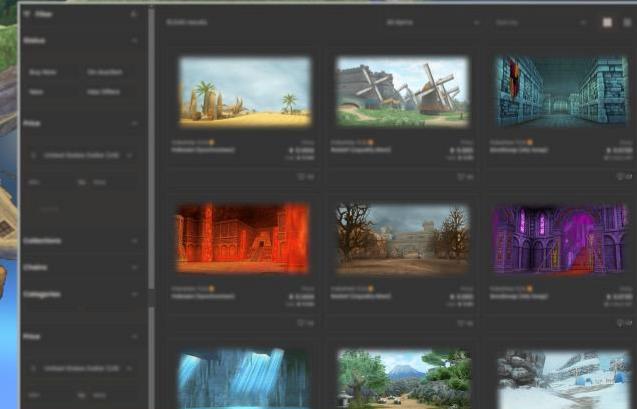

Special Skins NFT sales start before the official launch!

Easy to use, instinctive UI to create  
and sell original skins and items.

# Users can create their own map and invite users to play.

# Roadmap for Metaverse

## ① Build the eco-system of blockchain & NFT for MMORPG world.

For example like the items/currency/character/production/trading/logistics, etc.

## ② Transfer rights of the virtual world to NFT step by step.

Through UGC, the lands, buildings, all the details transferred to NFT.

## ③ Move centralized management to Dapps.

We aim for transferring all the centralized management system of the virtual world to a blockchain decentralized system. (DAO)

# Supported platforms

## Platforms

Languages : Chinese (Traditional) , English, Japanese  
Operation Platform : PC browser, Android, iOS
